

The clouds appear and change their shape,  
Causing my long-hidden memories to escape;  
And each time that I look again,  
It is at that moment then

I remember when

# ACADEMICS

## HUMANITIES

Before the jo nture of Hurst and Ram-say High Schools into MPAHS, each school had compulsory English courses during the four years. Each grade studied a grammar course. Freshmen and sophomores were as-signed world literature, juniors read plays by leading American play-wrights, and seniors devoted their year to British authors, especially Shakespeare.

With n the past three years, Mr. Ed Lewis, head of the Humanities De-partment, innovated a special pro-gram of fifty English-related courses with ten teachers teaching five courses each. Students take as many as sixteen of these courses during their four years, where before they had only four English courses. Since the mini-courses are t tled specifically, the student knows exactly what the course content will be.

All students are required to take Intro-duction to Speaking, Fundamentals of Grammar, Introduction to Literature, and a basic writing course.

Communication courses include Crea-tive Writing, Journalism, Dramatics, Reading, Critiques and Research, Group Discussion, Debate, and Critical Reading and Thinking.

Language courses contain vocabulary, Linguistic Geography, Sounds and Patterns in English, Logic and Lang-uage Analog es, Films, and Grammar.

A variety of literature courses are offered: Mythology, Drama, Short Stories, Poetry, Shakespeare Fiction, Novels, Humanities, Non Fiction, Social Change, and Independent Seminar.

Our English Department has changed immensely, and the students and faculty feel it has given us a chance to become better-acquainted with aspects of our society and those of the rest of the world.

## SOCIAL STUDIES

Every student must take at least four of the courses offered by the Social Studies Department: Freshman History, World Cultures, American History, Problems of Democracy, Economics, Sociology, and Psychology

Each of the courses gives the student an opportunity to live vicariously, for example, a talk with the great Mahatma Gandhi; being a branch of the government and going through the process of passing a law; being Sigmund Freud and becoming a forerunner of present-day psychoanalysis or playing the stock market and becoming an instant millionaire or pauper

Until we had studied the foreign cultures and types of restrictive governments, we were not able to appreciate our own system of government and the freedoms we take for granted.

## PHYSICAL SCIENCES

We left the haven of junior high and came down to earth at **MPAHS**. Earth science was dull for some, but exciting for others. The study of nature was interesting, but we had to go out into the cold to study nature at first-hand, looking for points of interest, noting differences in trees, studying landmarks. Throwing snowballs at each other was the highlight of these trips, but we were punished with projects and more projects. Also, we were saddled with notebooks that had to be exact in every detail. Learning that a dead seed could grow into a live apple completed our study of nature and its habits.

Biology was our next step. Dissecting upset the girls, but the boys looked forward to cutting up bugs, sponges, frogs, and worms. Being gallant, the boys did the dissecting for those squeamish girls, who in turn passed off the project as their own.

Experiments in chemistry were anticipated by everyone, until the use of sulfur permeated the lab with the smell of rotten eggs. Whenever we had to wear goggles, we looked like outer-space creatures. If only we could have worn those goggles daily, we could have slept through many of the lectures.

Chem II was a new subject, and we all experienced growing pains. For those majoring in science, this course would prove invaluable.

Physics dealt us another blow—we learned it required a strong background in math, since the course was a combination of mathematics and science. We met the challenge, but dreaded the lab papers which were due on time. Some of us worked until 3 A.M. to complete the reports.

"Survival of the fittest" should have been the slogan and theme as we look back and remember our science courses.

## MATHEMATICS

One of the most diversified departments of the school featured a new math lab that was the math students' dream come true. Everything from portable computers, calculators, manuals, ditto duplicators, overhead projectors, and measuring devices filled the lab. A student could program a math or physics formula by direct programming or card-punching. Students learned to recognize, compare, and apply units of the metric system. The laboratory was also used for tutorial, remedial, or research work along with the building of mathematical models. All this advance work was directly connected with the many math courses offered.

As freshmen, we breezed through general math, while Algebra I presented a challenge. Business math gave the commercial student a good look at what to expect in the business world. Plane geometry became the hypothesis of our sophomore year. Algebra II was much more than the distance between two points. After that course, who wanted math analysis? It was the dedicated math students and the brave college-bound math experts who ventured into calculus.

To the students who loved math above all else, all math courses were a joy, and the new math lab offered an extra bonus, chess games that helped to improve the mind.

## ART

Four new courses were introduced by the Art Department this year: Jewelry II, Ceramics II, Drawing and Design, and General Crafts, because strong interest in these areas were shown by the students.

As in the past, the art students offered for sale prior to Christmas many of the articles they fabricated. Leather-made articles were made this year, and because they were so attractive, they were purchased immediately. Some of the outstandingly-designed belts will be treasured by the lucky students who bought them.

## MUSIC

Each year the band plays an important part in the life of the school. Long hours of pre-season precision drills paid off when the first assembly and football game took place. A love of music must prevail for our hard-working band members to give so much of their time and still find time for their academic subjects. This also holds true for the choral groups, who not only present a Christmas program, but spent seven weeks in rehearsal for the April production of "Sound of Music."

## PHYSICAL EDUCATION

This year, juniors and seniors were singled out for new mini-courses in physical education. Subjects such as archery, flag football, field hockey, table tennis, badminton, and modern dance were offered on a nine-weeks' basis. All of these classes were co-educational. The purpose of these new courses was to give students variety.

Memories of going out in freezing weather to play field hockey and shooting arrows into the cornfield will remain for many of us.

## BUSINESS

Learning to earn immediately after graduation can take place for those students enrolled in the Business Department

Rhythm is necessary not only for band and choral members, but also is of prime importance to those taking beginning and advanced typing courses. "Correct fingering, sit up straight, and feet flat on the floor" are the three commandments students must live by in order to become accomplished typists. Cramped fingers and aching backs are quickly forgotten when speed and accuracy are attained

A new course this year was stenotypy, which is the method of using a machine rather than a pencil to take shorthand. Both conventional shorthand and stenotypy were given in the new shorthand laboratory, where students proceed at speeds most convenient for them

Those students taking book-keeping will always remember the frustration of finding errors in their journals and having to do them over again, and will never forget the formula of assets = liabilities + proprietorship.

## LANGUAGE

Each year that the world has become smaller through faster and faster means of travel, knowledge of another language assumes prime importance. Language becomes the bridge to understanding between people of different nationalities. To help build that bridge, Mount Pleasant Area High offers three languages beginning at the eighth grade level: French, German, and Spanish. What great satisfaction the student derives on his first day in any of these classes in being able to say, "Bonjour Madame comment-allez vous?", "Guten Morgen, Herr, wie geht es Ihnen?"; or "Buenos días, Señorita, ¿cómo está usted?"

Students in the German Club raise money through the sale of candy, pizzas, and magazine subscriptions for scholarships and the memorable Christmas banquet. French Club students also sell candy for a trip to a French restaurant in Pittsburgh and to the French Intercultural Day at Syria Mosque, and the Spanish Club students present scholarships with the money raised through the sale of candy, and each year take a field trip to the Buhl Planetarium Language Festival in February.

Mr. Joseph Brody

## LIBRARY

Remember, when as a freshman, you went to the library just because you needed a book for a report. However, as time passed, you found that the well-stocked library had resource materials that helped in furthering your education. Individual rooms were provided for those students who wanted to listen to language tapes and to watch film strips relating to English, math, social studies, and art. Record players with individual headsets were available to those who wanted to listen to popular and classical recordings, poetry, and dramatic presentations. To assist students preparing for research and term papers, Miss Galone and her aide, Mrs. Shaw, gave invaluable help.

## HOME ECONOMICS

Home Economics courses are no longer for girls, since boys are welcomed also. No longer do students learn only cooking and sewing, but courses designed to prepare both sexes for life situations: food preparation, good nutrition, garment designing, love and marriage, raising of children, and budget preparation. To highlight how modern home economics has become, this year's local winner of the National Betty Crocker Homemaker Contest was John Forbes.

## DRIVER EDUCATION

The sixteen-year-old's goal is the coveted driver's license. Prior to taking lessons in the automobile, students learn the basic fundamentals of highway safety through classroom discussion and viewing films. To enhance the reality of being behind the wheel, a driver-simulator lab was installed this past summer. Student interest in learning safe driving was heightened by its use.

## MANUAL ARTS

Beauty is in the eye of the beholder, and this held true as each student in manual arts basked in glory of a project into which he put endless hours of time and patience. To see the excellent quality of the finished product was to see ingenuity at work. These boys loved what they were doing, and their creations were usually made for someone special. Looking at their handiwork years from now will bring them fond memories.

## GUIDANCE

The first day of school has always been one of frustration for the freshman. New to his surroundings, he was usually misled by the upperclassmen, which, as a result, made the newcomer late to classes. Even the omnipresent map of the school was of no help, since the rooms were not systematically numbered. Aimless wandering at last brought the hapless freshman to the guidance office, from where he was carefully shepherded to the right classroom, albeit five or ten minutes late. Guffaws from his classmates added to his embarrassment, but within several days, this freshman and many others became veterans. During his four years at Mount Pleasant Area High, every student made use of the Guidance Department for both academic and personal problems, and for the advice given was grateful.

The first two years for Occupational Education student are spent in preparing for a job in Mount Pleasant area. These students attend classes learning the basic academic skills, learn how to fill out job applications, and watch films pertaining to positions that would be available to them during their junior and senior years. One-half day of these last two years is spent in school and the other half in a position, such as mechanics' helpers, stock-persons in supermarkets, waitresses in the hospital and restaurants, hospital aides, and bakers' helpers.

GUIDANCE COUNSELORS

June 5 1975

Dear Students

1974-1975 marks a very significant year for our school. As members of the graduating class, I congratulate you for playing a major role in these accomplishments.

Through a period of waiting and working, the school has been able to attain a limited status with the Middle States Association. Many representatives worked on the various preparation committees which had direct input into the evaluation process. As well, let me commend each of you for displaying excellent and cooperative behavior while the association team visited our school.

This year also marks the passage of the Students' Bill of Rights. This Bill of Rights guarantees certain programs for all students in the Mount Pleasant Area. Again, you had direct input through our local representatives to the Intermediate Student Forum. Students were able to accept the primary spots where they belong.

As a result of this party to a significant period of growth, our course offerings have been expanded with new electives and labs have been added to the curriculum. Such as Project Reach and the new program initiated by our student leaders.

Many thanks to all of you who have added to the school's growth. Hopefully, you will continue to be completely as you have here. That is our only wish!

ASSISTANT PRINCIPAL James F. McKenna

CENTRAL OFFICE SECRETARIES Mesdames Mary K. Moore Ruth Rose Emily Winger

MIDDLE STATES ASSOCIATION of COLLEGES and SECONDARY SCHOOLS  
 Commission on Secondary Schools  
 WILFORD BUILDING 181 NORTH 33rd STREET PHILADELPHIA, PA. 19104  
 Room 623 215 / 396-1972

# OFFICIAL NOTIFICATION OF ACCREDITATION

May 16, 1978

Mr. Joseph E. Stas, Principal  
 Mount Pleasant Area High School  
 R. D. 44  
 Mount Pleasant, Pennsylvania 15666

Dear Mr. Stas:

We are happy to inform you that favorable action by the Commission on Secondary Schools of the Middle States Association of Colleges and Secondary Schools has placed your school on its Accredited Membership for a period of ten years, ending December 31, 1988.

While the total accreditation period between evaluation visits is ten years, in order to maintain accreditation, you are asked to send to this office:

1. A Progress Report by May 1, 1978. This Progress Report should reflect the action taken by the school since the visitation, relative to the committee recommendations in all areas. Continued accreditation will be determined by the Commission on the basis of this report.
2. An Annual Report, which is mainly statistical.
3. A Nomination Form listing faculty members RECOMMENDED AND WILLING to serve on visiting committees.

Progress Reports are due on dates determined by the Commission. Other reports are due annually. Forms for all these reports will be sent to you about two months prior to the due date.

Please accept our sincere congratulations on this occasion. We in the Commission Office, will be happy to be of service to you and your school at any time.

Sincerely yours,

*Charles R. Reeder*

## Mount Pleasant Area Chamber of Commerce

Mount Pleasant, Pennsylvania  
 15666

Mr. Joseph E. Stas, Principal  
 Mount Pleasant Area Senior High School  
 R. D. 44  
 Mount Pleasant, Pa. 15666

The Mount Pleasant Area Chamber of Commerce wishes to extend its warmest congratulations to you as principal of the Mount Pleasant Area Senior High School. The excellent report of the Middle States Association that of evaluation by the accreditation of the school is a reflection of the high quality of the school.

The Chamber of Commerce of the Mount Pleasant Area is proud to have a school of this caliber working within its area and also for the community and citizens of our fine school system.

We extend you, and offer our fullest cooperation.

Sincerely,

\_\_\_\_\_

# Spirit of the Past Leads Cheers

FARMER DAY  
 Gumbo, Indians  
 Mardi Gras Day  
 Red, white, Blue

October, traditionally the month of spirits, brought a different type of spirit to **MPAHS**. In an attempt to inspire more interest in the student body, **SPIRIT WEEK** was born. Designed to promote varying aspects of American attire, each day students came dressed in clothing that followed the theme of the day

# For Second Cheerleader-Sponsored Event

# 1974 Homecoming Court Royally Escorted

Queens Past and Present

# Beaming Homecoming Court Spotlited

Friday, October 12, 1974. For most people, this was just another day, but for seven girls, this was to be a day they would always remember—the day on which one of them would be named Homecoming Queen for the 1974-1975 year.

Their dreams began several weeks earlier, when the senior class voted for seven girls who were best-qualified to represent their class. After three days of hope and anxiety, the finalists were announced: Brenda Biller, Pam Cable, Jan Demangone, Eve Kozar, Kathy Nagy, Mary Lou Sebek, and Maria Wierzbowski. Cries of joy and delight were heard around the

school as the teary-eyed seven received congratulations from friends and teachers.

For a short time, the girls were able to live in a relaxed atmosphere, but as homecoming day arrived, the girls became nervous and apprehensive. During a special assembly held that afternoon, each girl was presented a bouquet as they were introduced with a short biographical sketch to the student body and faculty. Even though they tried to appear calm, one could sense the excitement and tense feeling each girl possessed as she sat at the assembly, waiting the supreme moment during half-time ceremonies when our school lost

Brenda Biller, Jan Demangone, Kathy Nagy, Maria Wierzbowski, Tina Harhal, Queen Eve Kozar, Mary Lou Sebek, and Pam Cable.

against Moon. Tension mounted as each of the girls crossed the field accompanied by her escort. When the announcer proclaimed, "And the 1974-1975 Homecoming Queen is . . . Eve Kozar," tears of joy spilled from her eyes. Last year's Queen, Tina Harhal, placed the crown upon Eve's head, and immediately, the rest of the court surrounded the new Queen, bestowing their congratulations.

Days of waiting were over; tension had finally subsided, and the festivities had come to an end.

Handwritten text on a piece of paper, likely a letter or a document, placed in the foreground. The text is written in a cursive script and is mostly illegible due to blurring. It appears to be a personal communication, possibly a letter or a document, placed in the foreground of the photograph.

# American Field Service

**SECRETARY** Martha Wisniewski **VICE PRESIDENT** Jackie McAbee **PRESIDENT** Cheryl Boytim  
**TREAS.** PER Donna Bechter

To promote harmony, understanding, and better relations between countries is the aim of the American Field Service. A big task, for the major effort was to raise enough money to bring a student here to spend a year at MPAHS, while our school sends a student to another country during the summer. The work involved kept all members busy, and in order to stimulate community interest, large pictures of past AFS students were displayed at the AFS booth during Nationalty Days. Our exchange student for 1974-75, Janne Sovik, greeted all visitors to the booth. Various projects were held during the year to keep our treasury full. To keep the exchange-student program for another year demanded a full schedule for all AFS members, but the end results brought satisfaction to everyone. A culmination of effort by students, teachers, and community was the reward received as each exchange student was greeted and taken into the hearts of everyone.

This year's student government, under direction of Student Council President Mitchell Clausner and Faculty Advisor Frank Ogradny, made great strides in the areas of progressive student reform and programming.

The first step was the reactivation of the judicial branch, the Student **VOICE**, which served as a liaison between the students and administration. The legislative branch, structured to work efficiently with five operating committees, channeled its tasks into Property, Program, Publicity, Scholarship, and Social Action.

The Property Committee reinstituted the Student Evening Program, and studied the feasibility of a student monitoring system and a student lounge. The Program Committee organized the Homecoming presentation, the Christmas Dance, various assemblies and other dances. The **TWO MILES AWAY** page in **THE JOURNAL**, the literary magazine, and public relations were the responsibility of the Publicity Committee. Revision of the honor roll system, study-travel programs, assisting with the Middle States Evaluation, and the awarding of scholarships were the areas of concentration of the Scholarship Committee. The Social Action Committee sponsored the Toy Drive Christmas Party, and assisted at the Westmoreland Manor. Also, under the direction of its president, the Council helped to initiate and support Mount Pleasant's Bicentennial Celebration Program. By working together with the student body, faculty administration, and school board, the Council set a precedent in the methods of administering the school's reform policies.

## Getting Together Before Getting It Together

M.S.A. CONFERENCE.  
ROOM 219 →

# Theatrical Appreciation Group

The Theatrical Appreciation Group was formed to give interested students exposure to the arts of the stage and of the screen.

Throughout the school year members attended a variety of cultural events, such as the two Heinz Hall productions of the musical "Up With People" and the ballet "Romeo and Juliet." The Holiday House presentation of "Blood, Sweat, and Tears" appealed more to those who were partial to the modern music scene.

The trips took place as regularly as possible, since the group took a deep interest in the arts. The club's motto was "Art for man's sake."

"Buy a mum for your favorite girl, your mom, your wife, or good friend" was a favorite plea as YEA members constantly promoted one of their favorite projects during the football season. The response was big, the profit was small, but all proceeds were used for the Spring Harrisburg Convention. At this convention, members gained knowledge to improve their club and to achieve a strong spirit in their region.

This year the club was divided into service and assignment committees, which provided more help for the school and the community. During the first three days of school, YEA members wore name tags to welcome and guide the freshmen. Many bewildered freshmen appreciated this assistance. Letters offering help were sent to needy community organizations. At Christmas, YEA members decorated the rotunda to bring cheer to students and faculty.

A raffle after Christmas was another fund-raising activity to help cover the cost to the Harrisburg Convention, where members attended workshops which helped to solve problems faced by other YEA clubs. A motto of service to school and community serves as the YEA goal, to be a part of education, and to become involved in worthwhile efforts to help others. The tutoring program and teacher-student program were objectives with this purpose in mind.

Visiting a college and pursuing the teaching aspect of education as student-teacher for a day also involved some YEA members.

At the end of the school year, when new members had been inducted, the old members knew the joy of service to others.

# Future Medical Careers Club

All of the members of the Future Medical Careers Club (FMCC) were interested in a future in the medical field. Their primary purpose in joining the club was to get more information relating to the many diverse areas of the medical profession. To help the members understand the many facets of medicine, they were fortunate to have the school nurse, Mrs. Marion Dominick, as advisor.

Many of the members had already had a direct exposure of helping the sick by serving as Candy Strippers at the Frick Community Hospital.

No matter which area of the medical profession was chosen, the members knew that the most important requisite was compassion for the ill.

# Debating

This year Mount Pleasant Area High School made its debut on the debate forum. The team consisted of Laurie Covert, Kathy Pfeiffer, James Etling, and Mitchell Clausner, with Fred DePalma and Mark Shumar serving as alternates.

Mitchell Clausner, James Etling, Kathy Pfeiffer, Mr. Davis, Laurie Covert.

The topic selected this year was "That the United States should significantly change the method of selecting presidential and vice-presidential candidates."

Opponents included such fine forensic teams as Bethel Park, Latrobe, Monacaen, North Hills, Norwin, and Peters Township.

Coaches Donald Davis and Joseph Leake worked hard throughout the season, which lasted from about November 20 to January 18, the date of the final tournament at St. Vincent College.

The judging was done in six categories: Analysis, Delivery, Evaluation, Organization, Reasoning, and Rebuttal. A maximum of five points could be earned in each area.

Research was done completely by the team members, and began months before the start of the season with planning and strategy sessions with the coaches. Pleased with this year's results, Mr. Davis and Mr. Leake were planning to enter Mount Pleasant in the sectional Interscholastic Debate (Forensic League) in the 1975-76 season.

# Springs Give Skiers Lift

Snow, snow, snow! Where was it when we needed it? Conditions on the slopes were not conducive to skiing, and the Ski Club members waited impatiently for the announcement of a trip

Until the first outing in January, the popular song "Let It Snow, Let It Snow, Let It Snow" could well have been the club's theme song, since each trip was scheduled and rescheduled when the unpredictable white stuff failed to materialize

Retaining the same fees as last year helped the economic situation, as more and more students found the expense out of bounds with their enthusiasm for the sport.

Row 4: Karen Ovietsky, Lisa Chackan

A black and white photograph of a large group of young women, likely a cheerleading squad, posing in three rows. The front row is kneeling, the middle row is sitting, and the back row is standing. They are wearing light-colored, possibly white, uniforms. The setting appears to be an indoor room with a wooden floor and a doorway in the background.

# Career Seminars

RIGHT: Mr. Charles Rose, Dental Lab Technician  
BELOW: Mrs. Mary Kessler, Dental Assistant

Almost every pre-school youngster, when asked what he or she would like to be as an adult, says, "I'm going to be a fireman!" or "I'm going to be a nurse!" This is just vivid imagination at work, for usually this does not come to pass.

Mr. Miscik, for the past several years, has tried to take the guesswork out of choosing a career by scheduling career seminars. During these seminars, interested students obtain information regarding the varied vocation, and also ask questions that may not have been covered during the general discussion.

Speakers at the seminars were residents of the Mount Pleasant area, Greensburg, and Pittsburgh. Careers discussed were accounting, advertising, public relations, agriculture, airline stewardess, aviation, banking and finance, broadcasting and television, computer science, data processing, electronics, conservation, construction, child care, cooking, home economics, dentistry, dental technician, fashion designing, engineering, forestry, game protection, physical therapy, law, hairstyling, law enforcement, tool and die machinist, pro athletics, secretarial, social service, marketing, sales, purchasing, teaching and school administration, and woodworking.

Mr. Edward Balog  
Engineer, Modulus Corporation

# Students Stage Spring

# Splash Spectacle

The sixth annual Swim Show, presented on April 30 and 41 by the GAA and sponsored by Mrs. Felt and Mrs. Harvey, was a crowd-pleaser.

"Beachmenia" being the theme, routines were performed to the following Beatles hits: YESTERDAY, NOWHERE MAN, LUCY IN THE SKY WITH DIAMONDS, HERE COMES THE SUN, REVOLUTION, DO YOU WANT TO KNOW A SECRET?, WHILE MY GUITAR GENTLY WEEPS, COME TOGETHER, OCTOPUS' GARDEN, SOMETHING, and the grand finale of YELLOW SUBMARINE.

Highlights included clown antics, a diving exhibition, and a solo by Patti Muchoney to the tune of YESTERDAY. A boy-girl routine to SOMETHING featured Cheryl Boytim, Mitchell Clausner, Jim Frock, Patti Muchoney, Kathy Pfeifer, and Steve Shaw.

WON 8, LOST 2			

Jim Smith

For the second consecutive year, Coach Clarence Smith's team made an impressive showing on the links. This year's record of eight wins and two losses matched last year's. One of the losses was to a strong Uniontown team in a match that decided the first place team in the section.

Individual honors were achieved by Sophomore Sam Yothers, whose kudos included the following

1. First-place honors in the 15-16 age bracket at the Mon-Valley Jaycee Tournament
2. Scored 70 at the Foothills Conference Tournament for low-medalist honors

3. Scored 77 for second-place honors in the Keystone Conference Tournament

4. Qualified to compete in the WPIAL sectional, regional, and final tournament

5. Finished eleventh at Oakmont Country Club during the WPIAL final tournament to become the first alternate to the State Championship Tournament at Penn State

6. Scored the most points during the 1974 **VIKING** golf season

7. Broke Kerry Roth's 71) 1973 school record with a round of 70

# Football Seniors

ROW 1: Larry Kenner, Sam Kozlowski, Mike Gorman, Jerry Taylor, Steve Zuparko, Frank Mazur, Don Foy, Frank. ROW 2: Sam Casyette, Bruce Witek, Jim Laick, Don Kendi, Greg Harbaugh, Bob Obrocto, Bill Lane. ROW 3: John Leshko, Dan Porch, Jack Rutkowski, Barry Giotfelly.

All during the agilities, football practice and the week of camp, hopes were high for the 1974-75 football season. Since there were only forty-eight members on the team including fifteen lettermen, local and county sport-writers described the **VIKINGS** as low in quantity, but high in quality. The lack of bodies hurt the **VIKINGS** all season and was the primary reason for the disappointing campaign. With some key players out with injuries, our **VIKES** fought hard, but failed to gain a victory in their first three games. Among the losses was a hotly-disputed victory by our backyard rivals, the Southmoreland **SCOTTIES**.

Friday night, September 27, was the zenith of the football season for us. A healthy **VIKING** eleven got it all together and beat East Allegheny, the Keystone Conference champions, by a score of 20 to 15. One of the greatest victories in the history of

Mount Pleasant Area High occurred at ancient Hurst Stadium that autumn evening.

Ecstatic fans "went bananas" as the locals came from behind, and then thwarted everything the offensively-powerful **WILD-CATS** could throw at them.

Though the **VIKINGS** fought hard the rest of the season, they only managed a 26-6 victory over Yough. The exciting Mount Pleasant team smelled victory each game but tasted bitter disappointment when the dust settled.

We ended with a 2-7 record, but will always remember when our complete and healthy **VIKINGS** beat the champs of our Conference.

Yough	69	99
WON 3, LOST 18		

Although the **VIKINGS** weren't satisfied with their 3-18 record, the season was not a dismal one. Our team worked hard all season, and gave us some exciting moments. We will remember the three big wins, especially the one over rival Geibel

Coach Grubich's squad never gave up and always gave their opponents a challenge. Our **VIKINGS** showed great sportsmanship and pride, which ranks as high as winning itself

The hoopsters will miss our graduating seniors, but an experienced group of underclassmen will keep hopes high for next year

# Basketball Seniors

Greensburg-Central	65	57
Penn-Trafford	40	44
WON 4, LOST 6		

The girls' basketball team, coached by Mrs Harvey and Miss Stohl, finished the 1974-75 season with a promising record of four wins and six losses. Competing in Section 4 of the WPIAL Girls' Basketball League, our female **VIKINGS** chalked up big wins against Jeannette and Greensburg-Centra.

In contrast to boys' basketball, the girls may not be as quick or jump as high, but the game is exciting from tip-off to final buzzer. The **VIKINGS** play hustling defense and rely on good ball-handling and shooting.

Hopes are high for next year's team, since a good crop of hoopsters are returning.

Elderton	52	14
WON 2, LOST 12		

This season's wrestling team once again proved that wrestling is a growing sport at Mount Pleasant Area High School. Our **VIKING** grapplers drew fanatic crowds, and although not being able to "take down" some opponents, every wrestling match excited the home crowd.

The "Mat Rats" (co-ed aides) gave Coach Vorhes and his men invaluable assistance throughout the season, while the Mothers' Club played an active role by providing post-game refreshments to the wrestlers of both teams.

Senior Ken Stoner highlighted the season with his fine performance at the Pitt Field House in the **WPIAL** Qualifiers; for most take-downs during the season; and receiving the Adam Trice Award as the Most Valuable Wrestler.

Special awards went to Senior Mike Kitta, who represented the **VIKINGS** at the **WPIAL** Qualifiers; to Senior Joe Stolitca for the most pins (5); to Junior John Lloyd for the quickest pin of the season (13 seconds) and to Sophomore Mark Carroll for the best record (21-6).

McKeesport	42	130
Waynesburg	82	90
Belle Vernon	62	106
Brentwood	52	121
WON 0, LOST 13		

Although the **VIKINGS** won no meets, individual performances made the 1974-75 season a success. As the tide of the swimming campaign rolled on, many school records sank to the bottom of the pool. Senior Jim Etling broke school records and his own record in the 50-yard freestyle with 26.0 and the 100-yard breast stroke with 1:14.4. Besides breaking the 100-yard freestyle record with 1:00.8, Jim also scored the most points for the second consecutive year—last year with 140 points and this year with 168 points.

The two school records broken by Senior Steve Shaw were the 200-yard freestyle with 2:18.6 and the 500-yard freestyle with 6:25.7.

Coach Paul Tepper's team worked hard all winter, but wasn't able to find the winning formula in sinking the opposition.

With lettermen answering next year's school bells, the tankers should show more promise for a winning season.

# Track Seniors

**ROW 1:** Mike Howard, Bill Bromyard, Dennis Taylor, Richard Boerio, Larry Kemmerer, John Pochinsky  
**ROW 2:** Keith Brinker, Doug Taylor **ROW 3:** Sam Conyette, Ken Stoner, Tom Cesario, John Leshko, Fred DePalma, Ken Brodak, Mitchell Clausner

Southmoreland	0	5
<b>WON 1, LOST 8</b>		

After years of using the Levin courts for practice sessions, and playing our home games at the Mennonite Church Center at Laurelville, finally, with home courts, hopes were high for the 1975 tennis season.

The green asphalt courts at Ramsay Junior High were ready for all the lobs, drop shots, and overhands to be served up by our **VIKINGS**.

Our netmen went slamming against the opposition, but at the end of the matches, our backs were against the fence

With only one senior letterman on the team, the underclassmen carried the load for the **VIKINGS**. As a result, inexperience was a major factor in the 1-8 season.

Since the rest of the players will be returning next year, and a good crop of incoming freshmen will be joining the team, advantage should be in for the 1976 tennis season

# Softball Seniors

Martene Steiner, Anita Haronchik, Cindy Jaymes, Diane Hribal, Linda Bennerke

	MPAHS	OPPONENT
Penn-Trafford	19	17
Norwin	8	7
Southmoreland	14	16
Connellsville	2	8
Hempfield	11	2
Jeannette	16	16
Norwin	4	19
Southmoreland	10	12
Connellsville	11	8
Hempfield	3	1
WON 5, LOST 5		

Paraphrasing Alfred Lord Tennyson's famous saying, we maintain here at Mount Pleasant Area High that "in the spring a young girl's fancy turns to softball." This year marked the first complete season of girls' softball at MPAHS.

The mushballers had a fine opening record. Coaches Janet Stohl, Sharon Hribal, and Verene Harvey led the VIKINGS to a 5-5 slate.

Our girls played hard all during the cold spring, and if the ball had only bounced our way more often we could have won them all.

# Baseball Seniors

	MPAHS	OPPONENT
Connellsville	0	4
Latrobe	4	9
Jeannette	17	2
Hempfield	7	2
Greensburg-Salem	5	3
Southmoreland	1	0
Greensburg-Central	8	5
Norwin	1	0
Connellsville	2	10
Latrobe	1	2
Jeannette	3	7
Hempfield	1	3
Greensburg-Salem	4	8
Southmoreland	5	6
WON 6, LOST 8		

Bruce Witek, Jim Smith, Bob Obrocto

This year's baseball team was difficult to describe. At times we seemed to be headed straight toward Three Rivers Stadium, and at other times toward our own Frick Park. Our six-game winning streak highlighted the season, but our opponents just managed to give us the squeeze play.

Mike Raishert followed the pattern set by Joe Tirdil and Bob Miecik by hitting one out of the home diamond.

Three seniors will be missing from next year's line-up, but Coach Gorinski has plenty of potential in the remaining members of the team.

Dear Reader:

Once again it is that time of year to say good-bye. Throughout the past year we have been working together to publish a yearbook that contains special memories for everyone.

Although many of you may not realize it, publication of such a book requires long and tedious hours of work. We have done our best, but without assistance, this book would not have been possible. At this time, we would like to thank everyone who aided us in any way: Mr. John Grady for his outstanding photography; Mr. Sylvan Pinta for being our yearbook representative and giving us expert advice; the Mount Pleasant JOURNAL and the Canneltonville COURIER for their photographs and coverage of school events; the administration and faculty for their unending patience and consideration when we interrupted their classes for picture-taking; our patrons and student-body, for without them we would not have had the money to cover the expense of publication; and finally, our advisor, Mr. Robert F. Glick, for his faith in us and his never-ceasing help in compiling all of our work.

Since a yearbook is a collection of memories, we thought it might be enjoyable to reminisce about incidents that occurred during classes, club meetings, and extra-curricular activities.

We remember, when as freshmen, we believed the upperclassmen when they told us to take the elevator; we suffered through the many schedule changes; we ran for office and posted election signs all over the walls; we had earth science nature hunts; and had our first terrifying experience with Mr. Diehl.

As sophomores, how could we forget choosing our class rings; trying out for colorguard, majorette, and cheerleader positions; dating a football player (pure delight); attending those great sport events; our first lesson in the marching band; listening to delightful Mrs. Vance and her Sin Cos Cos Sin Cos Cos Sin Sin; and the audience-thrilling musical "South Pacific" (pure heaven).

Our junior year initiated us into the world of salesmanship; candy sales for the prom was the main event, while almost all clubs had sales campaigns to raise money for field trips and scholarship awards. Other memories of our junior year included those exhilarating classes with Mr. Myers and Shakespeare; those boring PSAT's and SAT's; filling out dreary college applications; cheering our athletic teams; and the big decisions we had to make in having our senior pictures taken—to wear a turtle-neck or blouse and sweater, a dress, suit, or sport jacket; to fix our hair or wear it straight; to have it styled or set.

Finally, it was our senior year. An active student council kept participation high in school and community activities. There was the memorable senior class play and the super-colossal "Sound of Music" to fill many hearts with sweet memories. There were many projects that the athletic students engaged in the March of Dimes campaign, helping the underprivileged, the retarded, and the senior citizens. That same year, it was research paper time with "acade" of work from Mrs. Benford. We remember the fun at Three Rivers Stadium as our band played for the Pittsburgh PIRATE opener; the senior party on the Gateway Clipper; the excitement of preparing for final exams and prom time; and the twinge of happiness and sadness as we received our diplomas, since it meant an ending and a beginning.

We hope that this yearbook will please you and will continue to remind you of your high school days spent here at MPHS.

The Staff
